Summary

Full Stack Developer with **2+ years of experience** building scalable, production-ready web applications using **React.js, Next.js, Node.js, and Tailwind CSS**. Proven expertise in **REST API integration, JWT authentication, Razor pay payments**, and converting **Figma designs into responsive UI**. Strong experience in Agile teams, manual testing, and maintaining clean, optimized codebases using **Git & GitHub**.

Technical Skills

Frontend: React.js, Next.js, JavaScript (ES6+), HTML5, CSS3

Styling: Tailwind CSS, Framer Motion, Bootstrap, GSAP

Backend: Node.js, Express.js, REST APIs, JWT, Bcrypt

Databases: MongoDB, MySQL, SQL, Prisma

Concepts: OOP, DBMS, MVC, Authentication & Authorization,

Tools: Git, GitHub, Postman, VS Code, Chrome DevTools, ESLint, Prettier

Professional Experience

Egniol Services Private Limited - Ahmedabad, Gujarat | March 2024 – Present (2 Years)

Developed and maintained **5+ production applications** using React.js, Next.js, and Node.js. Converted **30+ Figma screens** into responsive UI using Tailwind CSS, reducing development time by **25%**. Implemented JWT-based authentication, REST API integrations, Razor pay payment gateway, pagination, and search filters. Managed MongoDB and MySQL databases, participated in Agile sprints, manual testing, and maintained clean code using Git and GitHub.

Projects

Egniol Corporate Website & Client Sites: Delivered SEO-optimized, responsive websites using Next.js and Tailwind CSS. Built scalable UI components that cut development time by 40% and improved performance with lazy loading, image optimization, and SSR. Implemented dynamic routing, SEO meta tags, schema markup, and device-responsive layouts. Converted 30+ Figma screens with pixel-perfect accuracy and ensured full cross-browser compatibility.

Employee Management Dashboard: Built a secure dashboard with JWT authentication, CRUD, pagination, search filters, and role-based access control. Developed modular Node.js REST APIs improving response time by 25% and reusable React components with optimized state management. Added validation, error handling, and audit logs to maintain data integrity. Improved UI workflows, reducing admin task time by over 60%.

Education

Truba Institute of Engineering & Information Technology, Bhopal   *(2019-2023)*
Bachelor of Technology in Computer Science: 7.6/10 CGPA
